Industry Speaks

I thoroughly enjoyed my interactive session with the students of IIM Sirmaur at the Ankuran (HR Conclave). Today India is marching ahead in the global arena. We see Indians occupying apex positions at various large MNC organizations in regular frequencies. Huge number of start-ups with the likes of OYO Rooms, Make My Trip, Zomato, Swiggy are being launched everyday with scalable business models. India has become the hub for quality Human Resources for the entire world. In this context a session dedicated to innovative HR practices made a lot of sense and it was a pleasure listening and interacting with so many bright Senior Industry Leaders, the IIM Sirmaur Director & erudite Professors and sharp young minds of IIM Sirmaur. I wish to take this opportunity to thank the students for a hugely successful event and look forward to many more.

The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India's Ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones.
