ABOUT THE INSTITUTE

IIM Sirmaur – The Himalayan IIM is one of the youngest, robust and most rapidly growing B-Schools of the Indian Institute of Management fraternity. Falling under the same umbrella and carrying the IIM legacy, IIM Sirmaur is committed to delivering quality education, training and research in management studies. IIM Sirmaur is focused on developing indigenous knowledge and practices in an enabling environment. Located amidst the serene Himalayan range and on the banks of river Yamuna, IIM Sirmaur has forayed into Tourism and Hospitality Management and Fellow Programme in Management this academic year. The Institute strives for the seamless integration of management education with local and global aspirations with the understanding that management education is not just about seeking the most competitive employment opportunities, but also about craving to serve socioeconomic concerns through ethical and visionary corporate leadership. Established in 2015, the Mission of the Institute is to develop and foster professionals with competencies in creating and leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work. IIM Sirmaur's Vision is "To Be A Globally Respected Institution for Management Excellence." IIM Sirmaur delivers application-oriented and future-aware curricula that train students to develop their natural talents into transferable skills, to acquire the agility of mind and attitude to adapt to rapidly evolving business environments and most importantly, to being committed to making societies better places to transact honest business. The institute houses bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. They are eager to make positive contributions in their chosen fields and have a genuine desire to be of service to the country. An invigorating curriculum and demanding academic program help transform young minds into responsible professionals capable of adapting to the ever-changing world. Equipped with this unique combination of practical skills and the latest methods of learning, we believe that our students are bound to be invaluable assets wherever they end up.

SECTORS AND ROLES OFFERED

The major recruiting companies for the summer placement belonged to Manufacturing and Edu-tech sector along with Analytics, Banking and Consulting. Students also showed keen interest in joining not-for-profit organisations offering roles in development and social entrepreneurship so as to impact the social sector. An attempt was made to bring companies from all major sectors including PSUs so as to add diversity to the exposure and the knowledge and skill heterogeneity among the batch.

The students of the summer internship batch (2019 – 21) also received offers in a variety of functional roles ranging from sales & marketing, finance, operations and supply chain management and human resource management to product development and market research, information technology, consulting, analytics, general management and business development. Most of the offers focused on providing candidates with diverse and rich experience cutting across many areas, hence giving them a big picture of managerial functions and roles, preparing them for middle to higher-level managerial responsibilities and leadership positions with great learning opportunities and potential for future growth.
