ABOUT THE INSTITUTE

IIM SIRMAUR
KNOWLEDGE . LEADERSHIP

IIM Sirmaur is one of the newer institutions of the Indian Institute of Management family in the country. Taking forward the legacy of the IIM brand, IIM Sirmaur is committed to delivering quality education, training and research in the management sciences. IIM Sirmaur is focused on developing indigenous knowledge and practices in an enabling environment. The Institute strives for the seamless integration of management education with local and global aspirations with the understanding that management education is not just about seeking the most competitive employment opportunities, but also about learning to serve socioeconomic concerns through ethical and visionary corporate leadership.

Established in 2015, the Mission of the Institute is to develop and foster professionals with competencies in creating and leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work. Our Vision is to be a "Globally Respected Institution for Management Excellence."

The Institute is home to bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. The students here are eager to make positive contribution in their chosen field and they have a genuine desire to be of service to the country. An invigorating curriculum and demanding academic programme help to transform young

minds into responsible professionals capable of adapting to the ever changing world. Equipped with this unique combination of practical skills and latest methods of learning, we believe that, our students are bound to be an invaluable asset wherever they work.

Currently, the Institute offers its full-time residential MBA programme of two years' duration. The pedagogy followed by IIM Sirmaur offers the same standards of rigour as the other members of the IIM family. The two year MBA programme is designed to produce students equipped with the required contemporary competencies to build, grow and develop organizations. The programme specifically attempts to:

Provide an excellent learning environment that fosters the spirit of creativity, knowledge sharing and collaboration and achieve success by means of providing the most up-to-date competencies that is required by organizations across the world.

To foster entrepreneurship among the students and also facilitate outreach to prospective entrepreneurs in and around the areas adjoining Sirmaur.

To undertake the use of holistic learning by means of integrating the dissemination and deliberation of the relevance and contribution of issues such as spirituality, trust, sharing and community in developing a better place to live for one and all.
