The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India's ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones.
