

## INDIAN INSTITUTE OF MANAGEMENT SIRMAUR

### RIGHT TO INFORMATION ACT, 2005

#### Proactive Disclosure U/s 4

(Updated as on 24.06.2026)

About IIM Sirmaur (<https://www.iimsirmaur.ac.in/about-iim-sirmaur>)

Indian Institute of Management Sirmaur (IIM Sirmaur) is a Centrally Funded Institute of National Importance set up by the Government of India in 2015. IIM Sirmaur is one of the country's newer institutions of the IIM family. As a premier institution, under the aegis of the Ministry of Education, Government of India, it aims to provide Management Education of high quality and promotes allied areas of knowledge and interdisciplinary studies.

Institute strives for the seamless integration of management education with local and global aspirations in an enabling environment. It supports that management education is not just about seeking the most competitive employment opportunities, but also about learning to serve socio-economic concerns through ethical and visionary corporate leadership. It strives to focus on indigenous areas and innovative practices to develop sensitive corporate leaders and entrepreneurs of tomorrow.

IIM Sirmaur started its operations in 2015 with the full-time residential MBA programme. Later the full-time residential programme in MBA (Tourism & Hospitality Management) and the full-time PhD have been introduced in the Year 2019-20, and MBA-TTHM (2024).

Currently, the Institute offers two full-time post-graduate programmes of two years' duration MBA, MBA (Tourism & Hospitality Management), MBA (Travel, Tourism & Hospitality Management) and the Doctor of Philosophy programme (Ph. D.). The pedagogy followed by IIM Sirmaur offers the same standards of rigour as the other members of the IIM family. Additionally, the Institute offers two executive full-time post-graduate programmes of two years' duration EMBA with Artificial Intelligence. An invigorating curriculum and demanding academic programme help to transform young minds into responsible professionals capable of adapting to the ever-changing world.

Right from its inception, IIM Sirmaur has been surging on the interminable path of improvement, enhancement and upscaling of its infrastructure and image through the novel and innovative steps.

IIM Sirmaur delivers application-oriented future-aware curricula that train the students to develop their natural talents into transferable skills, while being committed to making societies better places to transact honest business. Enriching interactions with the industry leaders through guest lectures and management conclaves add holistic development with academic credibility and develop an in-vogue industrial outlook.

In line with the vision to become a globally respected institution for management education, in a short span of 10 years, the Institute has been able to carve its niche in the teaching and research arena, benchmarking quality with global standards to achieve its growth targets successfully. All

ten passed-out batches have been placed in the top companies through campus placement. The faculty members are publishing high-quality research articles in ABDC category Journals etc.

Our students are trained along desired corporate behavioural patterns, and are willing to engage as team players. The Institute is home to bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. Similarly, the curriculum is delivered by qualified in-house faculty members and the visiting corporate and academicians, drawn from varied premier research institutions and organizations.

The fundamental philosophy that guides all academic pursuits for students and professionals at IIM Sirmaur is to ensure that they develop in them the qualities such as: confidence, versatility, critical thinking, collaboration, co-creation, integrity, solution-centricity, creativity, ethical decision-making, futuristic orientation, empathy etc.

The Institute has successfully completed 1<sup>st</sup> Phase of the construction of its permanent campus and is now fully operational at Dhaula Kuan, District Sirmaur, Himachal Pradesh, amidst a lush green environment. The IIM Sirmaur is a wi-fi equipped Campus with modern facilities and the latest technology to provide an excellent learning environment for the students. The Institute has state-of-the-art classrooms, fully equipped conference rooms with the video-conferencing facility, hostels with modern amenities, a 24x7 library having abundant print & electronic resources, remote access facility, computer lab with the latest configuration machines with access to various software and databases, out-door and in-door sports, gymnasium, Mess etc.

The construction and development of the Institute's permanent campus is being undertaken in a phased manner in accordance with Government approvals. The foundation stone for the campus was laid on 4 August 2020. Phase I of the project, approved by the Government of India, has been successfully completed, encompassing the construction of 60,384 square metres of built-up area designed to accommodate 600 students at a cost of Rs. 392.51 crores. Carrying forward the distinguished legacy of the IIM brand, IIM Sirmaur remains committed to excellence in management education, training, and research.

## 1.2 POWER AND DUTIES OF ITS OFFICERS AND EMPLOYEES {SECTION 4(1) (B) (II)}

### 1.2.1 Powers and duties of officers (administrative, financial and judicial)

The Institute follows GoI Norms, DoPT orders, GFR Rules, CCS Rules and Institute's rules as applicable.

#### **Director's Power and duties (Excerpt from IIM Act 2017):**

(1) The Director shall be the Chief Executive Officer of the Institute and shall provide leadership to the Institute and be responsible for implementation of the decisions of the Board.

(2) The Director shall be appointed by the Board, with the prior approval of the Visitor (the President of India), on such terms and conditions of service as may be prescribed.

(3) The Director shall be appointed out of the panel of names recommended by a search-cum-selection committee to be constituted by the Board, consisting of;

(a) The Chairperson of the Board, who shall be the Chairperson of the search-cum-selection committee; (b) three members chosen from amongst eminent administrators, industrialists, educationists, scientists, technocrats and management specialists: Provided that where the Board is not satisfied with the recommendations of the search-cum-selection committee, it may ask the search-cum-selection committee to make fresh recommendations.

(4) The Director shall exercise the powers and perform the duties as may be assigned to him under this Act or the regulations or as may be delegated to him by the Board: Provided that the

Board may lay down the criteria to be followed by the Director while exercising powers and performing his duties, which shall be evaluated by the Board annually, and if the Board is of the opinion that such criteria has not been followed, then, the Board may, after giving an opportunity of being heard to the Director, initiate action for removal of such Director under sub-section (7).

(5) The Director shall, except on account of resignation or removal, hold office for a term of five years, from the date on which he enters upon his office.

(6) The Director may, by notice in writing under his hand addressed to the Board, through the Chairperson, resign his office at any time.

(7) The Board may remove from office the Director, who—

(a) has been adjudged as an insolvent; or

(b) has been convicted of an offence which, in the opinion of the Board, involves moral turpitude; or

(c) has become physically or mentally incapable of acting as a Director; or

(d) has acquired such financial or other interest as is likely to affect prejudicially his functions as a Director; or

(e) has so abused his position or so conducted himself as to render his continuance in office prejudicial to the public interest: Provided that the Director shall not be removed from office except by an order made by the Board, after an enquiry instituted by it in which the Director has been informed of the charges against him and given a reasonable opportunity of being heard in respect of those charges.

(8) Where the post of Director is likely to fall vacant on account of completion of tenure, the Board shall initiate the process of appointment nine months prior to the occurrence of such vacancy.

(9) Where the post of Director falls vacant on account of any reason, the Board may appoint the senior-most faculty in the institution as the Director in charge till a regular Director is appointed: Provided that if the senior-most faculty is not willing to hold the post of Director in charge, then the next senior-most willing faculty may be appointed as Director in charge.

The Chief Administrative Officer (CAO) shall be responsible to the Director for the proper discharge of his functions.

#### 1.2.2 Power and duties of other employees

### 1.3 PROCEDURE FOLLOWED IN DECISION MAKING PROCESS [SECTION 4(1)(B)(III)]

#### 1.3.1 Process of decision making identify key decision-making points

As per the organization chart and delegation of financial powers, the decisions are taken at different levels, mainly at BoGs/Director/HoD. Policy matters are decided at the level of BoGs, the Academic Council, and the Director.

The Procedures and processes followed are as appended below:

- (i) [The Indian Institutes of Management Act, 2017](#)
- (ii) [The Indian Institutes of Management Rules, 2018:](#)
- (iii) [DoPT and GFR norms:](#)
- (iv) All other relevant GoI norms as applicable. All documents are available on the Institute's website for reference.

#### 1.3.2 Final Decision-making Authority

**Professor Prafulla Y. Agnihotri, Director**

#### 1.3.3 Related provisions, acts, rules etc

- a. [As per IIM rules under IIM Act 2017](#)
- b. [As per the regulations approved by BOG-IIM Sirmaur.](#)
- c. [As per the notices/orders issued by IIM Sirmaur from time to time.](#)

#### 1.3.4 Time limit for taking a decision, if any

The appropriate authority takes decisions in a time-bound manner. The time limit for taking decisions varies depending on the proposals/issues. The routine correspondence received from different departments is time-bound and disposed of within the given time limit by the Institute.

#### 1.3.5 Channel of supervision and accountability

As per the organization chart and delegation of financial powers and as per allocation of Work (BoGs to Director to HoDs to Faculty and staff, all are supervised and accountable). The Organizational Chart shows the Channel of Supervision & Accountability. In Academic Department, each department is headed by an Area Chair, who supervises the work of the staff of their departments and reports to the Chairperson /Director of the Institute. In the administration and Accounts Section, the CAO supervises the work of the staff of their sections and reports to the Chairperson /Director (as the case may be). For details, please refer to the Organizational Chart/structure.

### 2.1.2 Budget for each agency and plan & programmes

The budget is proposed by the HoDs/Section Incharges based on their requirement. It is then evaluated by the institute-level committee and submitted to Finance Committee and BoGs for consideration and approval. The activities approved by the BoGs are carried out and the budget allocated for activities is utilized by the department.

### 2.1.3 Proposed expenditures

Please see 2.1.1

### 2.1.4 Revised budget for each agency, if any

Please see 2.1.1

### 2.1.5 Report on disbursements made and place where the related reports are available

Please see the annual account of respective years at: <https://www.iimsirmaur.ac.in/annual-reports>

## 2.2 FOREIGN AND DOMESTIC TOURS (F.No. 1/8/2012- IR dt. 11.9.2012)

### 2.2.1 Budget

Reply to Rajya Sabha Unstarred Question 316.

- a) Publications indexed in Scopus, Web of Science, Google Scholar and Indian Citation Index are considered by NIRF.
- (b) The journals of top IIMs like IIMA, IIMB and IIMC figure in some of the lists in B or C categories.
- (c) At IIM Sirmaur there are at present at least 4 faculty members who publish in top category journals (A\* / A).

(d) Research incentives in the form of consideration for promotion to higher post or other awards encourage researchers to publish in good quality journals including Indian journals.

| 11. | 3.45        | UGC should explore the possibility of evolving new courses on emerging branches of knowledge like Glacial studies/geodynamics, remote sensing ,and other related disciplines                                                                                                                                      | As a management institute, IIM Sirmaur has established a “Centre for Sustainability and Environmental Management” in 2019-20. Environmental Management is a compulsory course in MBA (Tourism and Hospitality Management) as well as in the regular 2 years MBA programme. Further in future, the institute is exploring to incorporate new courses like sustainability, waste management, environmental studies, etc. in the upcoming new programmes like 5 years integrated MBA, etc.,.                                                                                                                                                                                                                                                                               |
| 12. | 3.46        | appropriate Government bodies should undertake designing of courses in Light and Sound /laser Show and heritage Walks with a view to promoting the cultural heritage and historical monuments of the country and for generating employment opportunities for students interested in culture and history of India; | A course titled ‘Tourism Resources & Products’ is taught in Term II of MBA (Tourism and Hospitality Management). The course has several topics pertaining to destination resources like ‘cultural heritage’, ‘natural resources’, ‘heritage sites in India’, ‘gastronomy tourism’, ‘rural tourism’, ‘fairs & festivals of India’. Within the scope of the aforementioned contents, heritage walks, light, sound, and laser shows in historically and culturally important destinations/attractions may be designed and carried out. Such initiatives may be realized in the form of live projects, travel/cultural start-ups or even as course assignments. However, the separate focus in the said area as indicated is appreciated, and further exploration is noted. |
| 13. | 3.47        | with a view to giving impetus to boosting Research and Innovation in the country the department should try to simplify the procedure and the cost for granting patents for researchers from both government and non-government organizations; and                                                                 | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 14. | 3.48 & 3.49 | the department should prepare a plan for enhancing investment in all new technologies like Artificial Intelligence , Nanotechnology, Blockchain, Quantum Computing , Mixed Realty , Data Analytics etc. with special focus on agriculture , healthcare and education as these sectors                             | IIM Sirmaur is already offering courses in “Artificial Intelligence”, “Block chain Technology” and “Data Analytics” to its MBA students with reference to various sectors. IIM Sirmaur is committed to plan and float more courses on these lines with applicability in the fields of                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

|  |  |                                                                                                                                                                                                                                                       |                                                                                                                    |
|--|--|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
|  |  | have the potential for creating large scale employment which needs to be tapped. Accordingly, the department should get up a study group to devise a plan to train the human resources for the jobs to be created in all these emerging technologies. | agriculture/ farming/ education etc. in its existing programmes as well as in the upcoming new programmes planned. |

**FREQUENTLY ASKED QUESTIONS (FAQs) ON RTI**

**Q.1. What is “right to information”?**

“Right to information” means the right to information accessible under the Act, which is held by or under the control of any public authority and includes the right to---

- (i) inspection of work, documents, records;
- (ii) taking notes, extracts, or certified copies of documents or records;
- (iii) taking certified samples of material;
- (iv) Obtaining information in the form of diskettes, floppies, tapes, video cassettes or in any other electronic mode or through printouts where such information is stored in a computer or in any other device.

**Q. 2. What type of information may be obtained under the RTI Act?**

The type of information which may be obtained is defined under section 2 (f) of the Act as any material in any form, including records, documents, memos, e-mails, opinions, advices, press releases, circulars, orders, log books, contracts, reports, papers, samples, models, data material held in any electronic form and information relating to any private body which a public authority can access under any other law for the time being in force.

**Q.3. Who can seek information under the Right to Information Act, 2005?**

As per section 3 of the RTI Act any Indian citizen can seek information under the Act.

**Q.4. What is a Public Authority?**

A "public authority" is any authority or body or institution of self-government established or constituted by or under the Constitution; or by any other law made by the Parliament or a State Legislature; or by notification issued or order made by the Central Government or a State Government. The bodies owned, controlled or substantially financed by the Central Government or a State Government and non-Government organizations substantially funded by the Central Government or a State Government also fall within the definition of public authority. The financing of the body or the NGO by the Government may be direct or indirect.

**Q.5 What is a Public Information Officer?**

Public authorities have designated some of its officers as Public Information Officers. They are responsible for providing information to a person seeking information under the RTI Act.

**Q.6. What is the Fee for Seeking Information from Central Government Public Authorities?**

A person who desires to seek some information from a Central Government Public Authority is required to send, along with the application, a demand draft or a banker's cheque or an Indian Postal Order of Rs.10/- (Rupees ten), payable to the Accounts Officer of the public authority as fee prescribed for seeking information. The fee payment can also be made in cash to the Accounts Officer of the public authority or the Assistant Public Information Officer against proper receipt. However, the RTI Fee and the mode of payment may vary as under Section 27 and Section 28, of the RTI Act, 2005, the appropriate Government and the competent authority, respectively, by notification in the Official Gazette, make rules to carry out the provisions of this Act.

**Q.7. What is the Fee for the BPL applicant for Seeking Information?**

If the applicant belongs to the below poverty line (BPL) category, he is not required to pay any fee. However, he should submit proof supporting his claim to belong to the below poverty line.

**Q.8. Is there any specific Format of the Application?**

There is no prescribed format of application for seeking information. It can be made on plain paper. The application should, however, have the applicant's name and complete postal address.

**Q.9. Is it required to give any reason for seeking information?**

The information seeker is not required to give reasons for seeking information.

**Q.10. Is there any provision for exemption from Disclosure of Information?**

Sub-section (1) of section 8 and section 9 of the Act enumerate the types of information which is exempt from disclosure. Sub-section (2) of section 8, however, provides that information exempted under sub-section 3 (1) or exempted under the Official Secrets Act, 1923, can be disclosed if the public interest in disclosure outweighs the harm to the protected interest.

**Q.11. Is any assistance available to the Applicant for filing the RTI application?**

Suppose a person is unable to make a request in writing. In that case, he may seek the help of the Public Information Officer to write his application and the Public Information Officer should render him reasonable assistance. Where a decision is taken to give access to a sensorily disabled person to any document, the Public Information Officer shall provide such assistance to the person as may be appropriate for inspection.

**Q.12. What is the Time Period for the Supply of Information?**

In the normal course, information to an applicant shall be provided within 30 days of the application's receipt by the public authority. If the information sought concerns the life or liberty of a person, it should be supplied within 48 hours. If the application is sent through the Assistant Public Information Officer or sent to a wrong public authority, five days shall be added to the period of thirty days or 48 hours, as the case may be.

**Q.13. Is there any provision of Appeal under the RTI Act?**

If an applicant is not supplied information within the prescribed time of thirty days or 48 hours, as the case may be, or is not satisfied with the information furnished to him. In that case, he may prefer an appeal to the first appellate authority, an officer senior in rank, to the Public Information Officer. Such an appeal should be filed within thirty days from the date on which the limit of 30 days of supply of information is expired or from the date on which the information or decision of the Public Information Officer is received. The appellate authority of the public authority shall dispose of the appeal within a period of thirty days or, in exceptional cases, within 45 days of the receipt of the appeal.

**Q.14. Is there any scope for a second appeal under the RTI Act?**

If the first appellate authority fails to pass an order on the appeal within the prescribed period or if the appellant is not satisfied with the order of the first appellate authority, he may prefer a second appeal with the Central Information Commission within ninety days from the date on which the decision should have been made by the first appellate authority or was actually received by the appellant.

**Q.15. What is Third Party Information?**

Third-party concerning the Act means a person other than the citizen who has requested information. The definition of a third party includes a public authority other than the public authority to whom the request has been made.

**Q.16. What is the Method of Seeking Information?**

A citizen who desires to obtain any information under the Act should make an application to the Public Information Officer of the concerned public authority in English or Hindi or in the official language of the area where the application is made. The application should be precise and specific. He should pay the application fee when submitting the application as prescribed in the Fee Rules.

**Q.17. Is any organization(s) exempt from providing information under the RTI Act?**

Yes, certain intelligence and security organizations specified in the Second Schedule are exempted from providing information except the information pertaining to the allegations of corruption and human rights violations. Courtesy – Guide on Right to Information Act, 2005 issued by the department of personnel and training Ministry of Personnel, Public Grievances and Pension Government of India.

**Q.18. Are there any public authorities exempt from providing information?**

Yes, intelligence and security organizations specified in the Second Schedule to the Act are exempt from furnishing information under the Act. However, this exemption does not apply if the requested information pertains to the allegations of corruption and human rights violations.

**Q.19. How is an application for seeking information to be made?**

As per section 6 (1) of the RTI Act, a request may be made in writing to the Central Public Information Officer (CPIO) of this Institute. It may also be filed online at <https://rtionline.gov.in>

**Q.20. Can the information or record relating to a third party or supplied by a third party and treated as confidential by the third party be provided under the Act?**

Such information may be provided only after giving written notice to the third party and considering the third party's submission. The information may be disclosed if the public interest in disclosure outweighs in importance any possible harm or injury to the interests of such third party.
