About The Institute

IIM Sirmaur is one of the newer institutions of the Indian Institute of Management family in the country. Taking forward the legacy of the IIM brand, IIM Sirmaur is committed to delivering quality education, training and research in the management sciences. IIM Sirmaur is focused on developing indigenous knowledge and practices in an enabling environment. The Institute strives for the seamless integration of management education with local and global aspirations with the understanding that management education is not just about seeking the most competitive employment opportunities, but also about learning to serve socioeconomic concerns through ethical and visionary corporate leadership.

Established in 2015, the Mission of the Institute is to develop and foster professionals with competencies in creating and leading future oriented solutions for sustainable growth adhering to the highest standards of ethical and human aspects of work. Our Vision is to be a "Globally Respected Institution for Management Excellence."

IIM Sirmaur delivers application-oriented future-aware curricula that trains students to develop their natural talents into transferable skills, to acquire the agility of mind and attitude to adapt to rapidly evolving business environments, and most importantly, to do all this while being committed to making societies a better places to transact honest business.

The Institute is home to bright and highly motivated students from diverse backgrounds and qualifications selected through a rigorous process. The students here are

eager to make positive contribution in their chosen field and they have a genuine desire to be of service to the country. An invigorating curriculum and demanding academic programme help to transform young minds into responsible professionals capable of adapting to the ever changing world. Equipped with this unique combination of practical skills and latest methods of learning, we believe that, our students are bound to be an invaluable asset wherever they work.

Currently, the Institute offers its full-time residential MBA programme of two years' duration. The pedagogy followed by IIM Sirmaur offers the same standards of rigour as the other members of the IIM family. The two year MBA programme is designed to produce students equipped with the required contemporary competencies to build, grow and develop organizations. The programme specifically attempts to:

Provide an excellent learning environment that fosters the spirit of creativity, knowledge sharing and collaboration and achieve success by means of providing the most up-to-date competencies that is required by organizations across the world.

To foster entrepreneurship among the students and also facilitate outreach to prospective entrepreneurs in and around the areas adjoining Sirmaur.

To undertake the use of holistic learning by means of integrating the dissemination and deliberation of the relevance and contribution of issues such as spirituality, trust, sharing and community in developing a better place to live for one and all.

Dear Colleagues,
 Greetings from IIM Sirmaur!
 I am pleased to present the profile of MBA students of batch (2020-22) at the Indian Institute of Management Sirmaur.

At IIM Sirmaur, we endeavour to impart quality education of the highest standards in sync with the needs of world of business and the economy. These students are ready to intern in the industry as the mandatory part of their MBA course curriculum at IIM Sirmaur. The present batch consists of mix of talent, experience, and diversity representing possibly the most desirable talent pool sought by organizations today.

As an institution of national importance established in the year 2015, under aegis of Ministry of Education, Government of India, we are committed to the purpose of corporate well-being and growth. Our students are trained along desired corporate behavioural patterns, and are willing to engage as team players.

We benchmark with best practices to achieve our objectives of quality in management education. Our students are admitted through rigorous selection process. Similarly, the curriculum is delivered by

qualified in-house faculty members and the visiting corporate and academicians, drawn from varied premier research institutions and organizations. The Institute also puts immense premium on the knowledge and skills necessary for meeting the challenges of the corporate world, community engagement and outreach.

As you flip through the pages of this brochure, you will get a glimpse of our meticulously designed curriculum, industry interactions, our enlightened faculty support, and the student-driven activities.

In the current tough times, we approach the corporate houses to nurture the available talent pool at IIM Sirmaur into mature and responsible future leaders, well equipped to connect with the local and the global mindset.

I cordially invite you to associate with us in the Summer Placement Process.

With best wishes,
 Professor Neelu Rohmetra

About MBA Programme

The Masters in Business Administration Programme is a two-year, full time residential programme. The first year coursework is spread over three terms. The programme fosters an overall development of the future business leaders with strong fundamentals. The curriculum is designed to give students a perfect combination of academic skills and insights into the changing business environment. It comprises core courses that explain the fundamentals of management across different functional areas. The courses in the first year curriculum are mandatory for all the students. The first year coursework is followed by a summer internship. The Summer Internship Programme is an integral part of the MBA Course and it bridges the gap between theory and real world dynamics. Students are required to work on an industry project with an organization for a period of eight to ten weeks. The second year coursework is spread over the next three terms (Term IV to Term VI). The second year students are offered elective courses across different functional areas such as Marketing, Finance, Operations, Decision Sciences, Information Technology, Strategy, Human Resources and Economics. The students can opt for elective courses based on their preferences, insofar as they fulfill the minimum credit requirements for the programme. The participants who successfully fulfill all the requirements of the programme are awarded the degree of 'Masters in Business Administration'.

Committees

STUDENT ACADEMIC COMMITTEE

The Student Academic Committee is a student body that facilitates academic activities and acts as an interface between the students, faculty, and administration. The committee coordinates with Chairperson Programmes to ensure that the overall decorum and discipline in the Institution is maintained all the time. The key responsibilities include providing suggestions regarding International Immersion Program, modifications/changes in course curriculum, distribution of course material and other academic-related documents to the PGP Chair, and bringing to the notice of the administration the difficulties faced by students due to class or exam schedules and any other academic issues. SAC provides suggestions regarding the certifications of students after the approval of the Chairperson Programmes. Further, SAC also provides recommendations around the induction of new Batches and helps the students cope with the Institute's academic rigor.

STUDENT TRAINING AND DEVELOPMENT TEAM

The Training & Development Cell of IIM Sirmaur comprises of a team which aims to improve the overall personality of every student. While students hone their knowledge base through academics and extra-curricular activities, this team focuses on enhancing their soft skills. The students thus get the opportunity to tailor their day-to-day interactions and learn the nuances of effective corporate and personal communication. In addition to this, the cell also assists students to prepare for aptitude and psychometric tests that are ubiquitous in today's professional world. All in all, the students are equipped with the skills to become responsible and conscientious citizens of society and an asset to any organization.

INDUSTRY RELATIONS & SPONSORSHIP COMMITTEE

The Industry Relations and Sponsorship Committee (IRASC) is committed to establish and uphold higher level of relationship of IIM Sirmaur with industries and corporate organisations. The committee solicitates live projects, guest lectures and industry visits to the students, allowing them to understand, appreciate and to actively pursue industry requirements. Such practices help the industries in leveraging the high potential student community to address their problems. Further, the committee channelizes its relationship with the industry to offer them a platform for sponsorships and promotion for various events conducted in the Institute, round the year.

MEDIA CELL

The Media Cell acts as a point of contact between the Institute and the outside world. From keeping the social media platforms up to date with the events happening in the Institute, to communicating with the print and digital media, this committee is in charge of the brand IIM Sirmaur. By creating worthwhile and engaging content by means of Facebook, Twitter, Instagram and newsletter, the committee aims at recognizing and valuing the achievements of the Institute and its torch bearers. It works to consistently enhance the visibility of the Institute.

CULTURAL COMMITTEE

One of the most prized possessions of the Institute is the cultural diversity brought in by the students belonging to various states and cultures. The Cultural Committee cherishes the cultural diversity by celebrating various regional festivals from all parts of India and conducting events like official student parties, DJ Nights, cultural events by popular artists and promotes government initiatives like Qaumi Ekta Week, Ek Bharat Shreshtha Bharat, Constitution Day, Vigilance Awareness Week, etc.

It serves as a platform for the students to hold recreational activities like dance workshops, theatre, social gatherings and relish with each other in their leisure.

E-CELL

The Entrepreneurship Cell is one of the most coveted committees of an institute. The presence of business acumen is imperative not just for aspiring entrepreneurs but also for those who want to make their presence felt in the corporate world. The E-Cell is committed to foster the spirit of entrepreneurship among the students. It provides a platform for mentoring and training and helps students to convert their ideas into self-sustaining ventures. To this end, the E-Cell regularly organizes relevant guest lectures and workshops.

SPORTS COMMITTEE

Playing any kind of sport brings out the leader in you. The Sports Committee has organized various inter-college competitions for Chess, Volleyball, Box Cricket and Badminton. The Committee has put in lots of efforts to develop the sports infrastructure. The committee also helps the Institute teams, in terms of providing all the necessary support, to enable them to participate in the events conducted by the other colleges.

ALUMNI CELL

The Alumni Cell works to strengthen the bond between IIM Sirmaur and its alumni for a mutually beneficial relationship. With the intent of connecting the students & ex-students of our institute spread across different batches, chapters and locations, the Alumni cell of IIM Sirmaur was established in 2017, after the convocation of our very first batch! With the formation of IIM Sirmaur Alumni Cell, we have introduced a platform for the alumni to inform, interact and get involved in the events and happenings that are taking place at our Institute. Through this page, we wish to strengthen the relationships between alumni, students, faculty, and staff by spreading awareness and encourage participation in the affairs of the institute.

SANKALP CSR CELL

Sankalp, as the name stands is committed to its vision of creating a sense of inclusiveness in the hearts of people. Sirmaur, being a blend of industry and nature, enables us to understand the significance of harmony between the two through sustainable development. We are dedicated to instilling the spirit of Corporate Social Responsibility, the most important and righteous social development duty of corporate companies and Industries, into bright young minds. Since its inception, Sankalp has endeavoured in various activities- clothes donation drive for underprivileged people, a blood donation camp in association with IMA, arranged school supplies for children at a local school, cleanliness drive and waste management awareness drive. The team is striving tirelessly to realize its plans for a whole lot of activities this year also, focused primarily on giving back to society and standing by its motto of "Sowing hope into lives".

THE INFRASTRUCTURE AND IT COMMITTEE

The Infrastructure and IT Committee act as a liaison between the student community and the administrative bodies, viz., Administration, Systems, Housing & Maintenance teams. The members coordinate with the administration to review and improve the existing facilities and meet with them every month to assess the developments on campus. This committee's main function includes maintaining the infrastructure and IT services and coordinating various administrative bodies for multiple events. Managers are often faced with unexpected and challenging situations; the committee helps its members develop skills to tackle such situations.

Guide to Summer Placements for The Batch of 2020-22

The organizations can start inviting applications any time after the Pre-Placement Talk (PPT) and/or confirmation of participation in the Summer Placement Process. The details of the job offer such as profile, remuneration and location must be provided before applications are invited. Consequently, an invitation letter will be mailed to the organization confirming the date and time at which the Selection Process will take place. The organization is required to communicate the detailed process requirements (number of selection rounds, panels, and process specific requirements) at-least 3 days prior to the placement process.

01 PRE-PLACEMENT TALKS
September 2020

02 SUMMER PLACEMENTS
Nov 2020 - Mar 2021

03 JOINING DATES
April 2021 onwards

01

PRE-PLACEMENT TALKS

The Pre-Placement Talk (PPT) helps companies and students interact with each other. The representatives of companies share the profile of their company, key aspects of business, work environment and opportunities available to the students. The presentation is followed by a Q&A session, where students interact with company officials to get a better understanding of the company and potential roles. A typical PPT session is scheduled around 90 minutes.

02

APPLICATIONS AND SHORTLISTS

In response to job descriptions floated by companies, interested students apply through the Placement office. A detailed resume is submitted by the students as part of the application process. On the basis of student applications, companies are required to send shortlists to the Placement office prior to their final placement interviews.

03

PLACEMENT INTERVIEWS

The summer placement process is expected to be conducted over a period of time from November 2020 to March 2021. Companies can interview the students they have shortlisted, on the date agreed upon by the Placement office and the company. The summer placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice. The companies are allowed to meet students prior to their allotted final interview date and carry out preliminary assessments.

04

OFFERS AND ACCEPTANCE

The company can make an offer to the student after the final interview. For an offer to be valid, it should include details of role, location, remuneration, and other relevant terms and conditions required by the candidate to make a decision. The offer is communicated by the company to the Placement office, which in turn communicates it to the selected student. The acceptance of an offer is governed by placement rules of the MBA Programme which are framed at the beginning of the academic year.

Industry Testimonials

I thoroughly enjoyed my interactive session with the students of IIM Sirmaur at the Ankuran (HR Conclave). Today India is marching ahead in the global arena. We see Indians occupying apex positions at various large MNC organizations in regular frequencies. Huge number of start-ups with the likes of OYO Rooms, Make My Trip, Zomato, Swiggy are being launched everyday with scalable business models. India have become the hub for quality Human Resources for the entire world. In this context a session dedicated to innovative HR practices made a lot of sense and it was a pleasure listening and interacting with so many bright Senior Industry Leaders, the IIM Sirmaur Director & erudite Professors and sharp young minds of IIM Sirmaur. I wish to take this opportunity to thank the students for a hugely successful event and look forward to many more.

- Mr. Abhra Rajib Banerjee
Former Vice President and SBU Head, Havells India Ltd.

I loved interacting with the bright students of IIM Sirmaur. I think IIM Sirmaur has a good headway in making a mark among the newer IIMs.

Mr. Abhisek Nag,
HR Leader, SDG Corporation

"The new batch from IIM Sirmaur, in this limited period have shown positive and encouraging signs in adapting, adjusting and integrating yet keeping their individual uniqueness intact.

Trust the Institute builds on this further and positions itself as a preferred destination for Corporates to source their future talents."

Mr. Partha Dasgupta
Former Chief Mentor, Reliance Industries

"The first-hand experience at IIM Sirmaur was indeed very pleasant. The quality of candidates whom we interviewed were good in terms of knowledge and had a wide array of interest and domain know-how. And the best part about students of IIM Sirmaur is their attitude which we found to be excellent and definitely a differentiator. We could clearly see that your institute, being very new, carries all the substance to make it to India's Ivy league in academics.

And we are sure that with the kind of management and structure that you have you will soon achieve bigger milestones. "

Mr. Surindam Dutta
HR, North & East, Schindler
