

ONE-DAY NATIONAL SEMINAR
(Online)
ON
**HRM Transformations for Building
an Adaptive Workforce**
(17th December' 2021)

IIM SIRMAUR
KNOWLEDGE . LEADERSHIP

**Organized by
Indian Institute of Management
Sirmaur**

OBJECTIVES

The COVID-19 pandemic has necessitated drastic transformations in the workplace environment, ensuing implications for HRM practices. Digitalization, virtual teams, work from home, and new ways of work have demanded HRM professionals to move forward and facilitate transformation beyond the immediate time and crisis. Also, HRM practitioners today not only need to develop efficient strategies to map 'HRM in times of crisis' but also ensure building a future adaptive and agile workforce. This seminar will boost the attention of participants towards the generative dynamics in organizations that necessitate the development of positive strengths and adaptability at workplace. It will also aid the industry leaders in examining the enabling approaches and HRM practices for building future-oriented workforce.

WHO SHOULD ATTEND?

Students, research scholars and faculty members in the management/social sciences area and the practitioners in the management field/industry.

THEMES OF PANEL DISCUSSION

1. Significance of transforming existent HRM systems and building a high-trust organizational culture.
2. Augmenting employee strength for building an adaptive workforce.

IIM SIRMAUR

IIM Sirmaur is situated in the verdant surroundings of Himalayas (located in Paonta Sahib and nearby to Dehradun). IIM Sirmaur provides an ideal setting to educate and train the best minds of the country, away from the hustle and bustle of metropolitan cities. IIM Sirmaur is one of the new IIMs set up by MHRD, Govt. of India.

Paonta Sahib is among the major industrial towns of Himachal Pradesh. The town is an important religious place for the Sikhs, and it attracts pilgrims from around the world. The campus is equipped with modern facilities and latest technology to provide an excellent learning environment for the students. The institute has state-of-the art classrooms equipped with overhead projectors and modern furniture, fully equipped conference rooms with video-conferencing facility, a 24x7 library and a computer lab with latest configuration machines as well as access to various software and databases.
