# About Us

---

Indian Institute of Management, Sirmaur, which became operational in 2015, is one of twenty premier business schools in the country declared as institutions of national importance by the Government of India. IIM Sirmaur strives to deliver world-class education in the management sciences with the goal of developing innovative practices and practitioners in the field. The Institute offers a full-time two-year residential program in management designed to develop sensitive and future-aware corporate leaders and entrepreneurs. Our vision is to integrate management education with local and global aspirations and in this process, make societies better places to transact honest business.

The current report pertains to the summer placements of the third batch of IIM Sirmaur. This year, with a batch strength of 66, there is greater diversity in terms of gender, educational background and nature of previous work experience of the pool of candidates undertaking the mandatory summer internship programme. We are pleased to report an encouraging increase in the number and diversity of recruiters as well as profiles offered. The following pages provide a comprehensive overview of the summer placements achieved.
