About Us

IIM Sirmaur strives to deliver world class education in the management sciences with the goal of developing innovative practices and practitioners in the field. The Institute offers a full time two year residential programme in management designed to develop sensitive and future aware corporate leaders and entrepreneurs. Our vision is to integrate management education with local and global aspirations and in this process, make societies better places to transact honest business.

The current report pertains to the summer placements of fourth batch of IIM Sirmaur. This year with a batch strength of 98, there is a great diversity in terms of demographics, educational background and nature of previous work experience of the pool of candidates undertaking the mandatory summer Internship program. We are pleased to report an encouraging increase of 47% in the number of recruiters as well as profiles offered. The following pages provides a comprehensive overview of the summer placements achieved.
